# Open Opportunity

- OpenOpportunity is the innovative 14-19 partnership between CNS, City College Norwich, Earlham High School, Framingham Earl High School, The Hewett School & Notre Dame High School.
- Each OpenOpportunity partner has unique qualities. By joining one of the OpenOpportunity schools your son or daughter will be joining a successful and vital learning community. They will also be opening the door to a huge range of potential, additional opportunities from across the OpenOpportunity partnership.
- We embrace the diversity that our partnership offers but stand united in our duty to providing the best possible education for each and every learner within our care.
- By working together we are able to provide a wider range of high quality opportunities tailored to the individual aspirations, interests, and needs of each learner.
- OpenOpportunity is amongst the first partnerships in the country to have successfully bid to offer the new **Diplomas**. From 2008 we will be offering two - Construction & The Built Environment and Creative & Media. More details can be found on the OpenOpportunity website.
- OpenOpportunity is also one of the biggest providers of Young Apprenticeship programmes in the East of England. This programme is highly sought after by able 14-16 year old learners especially as we have extended the programme to cover 5 key sectors of industry - Construction, Health & Social Care, Performing Arts, Retail, and Sports Leadership, Coaching & Management.
- If you would like further information please visit our website or contact our Director of OpenOpportunity, who is responsible for our work across the partnership.
